منار المعرفة

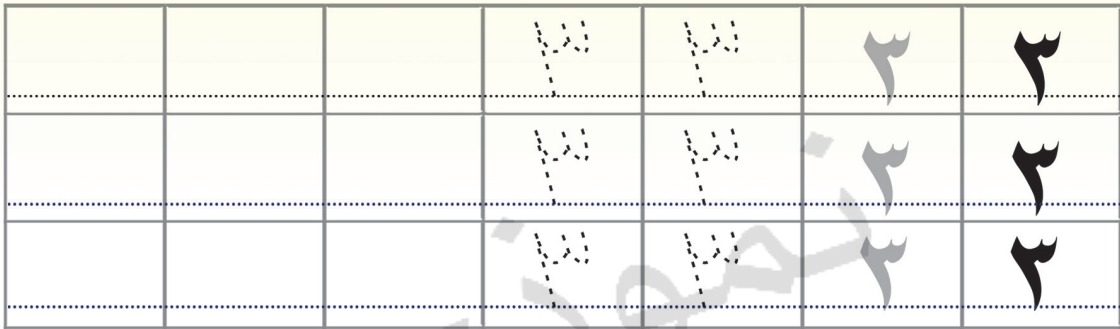

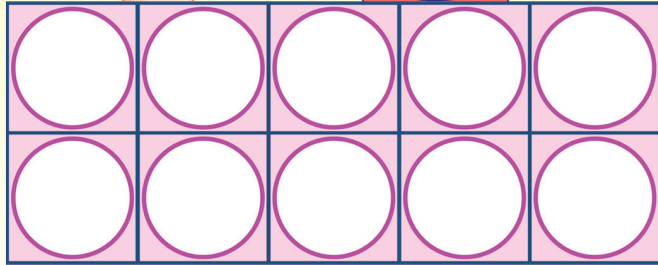

A vibrant, cartoon-style illustration of a park scene. In the center is a large, leafy green tree. A boy with blonde hair sits atop the tree, reading a red book. A girl with red hair and glasses stands to the left of the tree, also reading. A boy with dark hair stands to the right. Various educational items are scattered around: a globe, a red apple, a blue backpack, a red pencil, a yellow star, and a blue book. In the foreground, a girl with dark hair and glasses is climbing a yellow ladder leaning against the tree. A boy is running on the grass to the right. A girl is standing on the left. The ground is green with a blue path. There are colorful blocks (red, yellow, blue, green) and a small toy train. The sky is blue with white clouds. Large, stylized letters (Z, 7, 3, 9, 1, 2, 3) are floating in the air, some with faces. The overall scene is bright and cheerful, representing a fun and educational environment for children.
